

## Klein Volunteer Fire Department Exploring Post 31

[www.kleinfire.org](http://www.kleinfire.org)

The Klein Volunteer Fire Department Exploring Post 31 would like to help you fill some of your spare time. Our Exploring Post which is a branch of the Boys Scouts of America was organized in 2003 to support our young adults and allow those under the age of 18 years of age to participate in the fire department. The post is open to young men and women ages 14 to 20 years of age that have graduated the 8<sup>th</sup> grade and are interested in firefighting. The post meets twice a month on the first and last Monday of the month. Post meetings and training are conducted each time the post meets. The members are provided with training in fire suppression, first aid and community involvement. The post meeting and training take place at Station 33 – 9755 Landry – Spring Texas 77379 from 6:00pm to 7:00pm.

If you might be interested in getting additional information and or joining our post please stop by during one of our post meeting, the first and last Monday of each month. We will be available to answer any questions and you will also be able to take a look at the fire trucks that are housed at Station 33.

Additional information and photos are available regarding the Exploring Post at [www.kleinfire.org/public-education/explorers](http://www.kleinfire.org/public-education/explorers).
